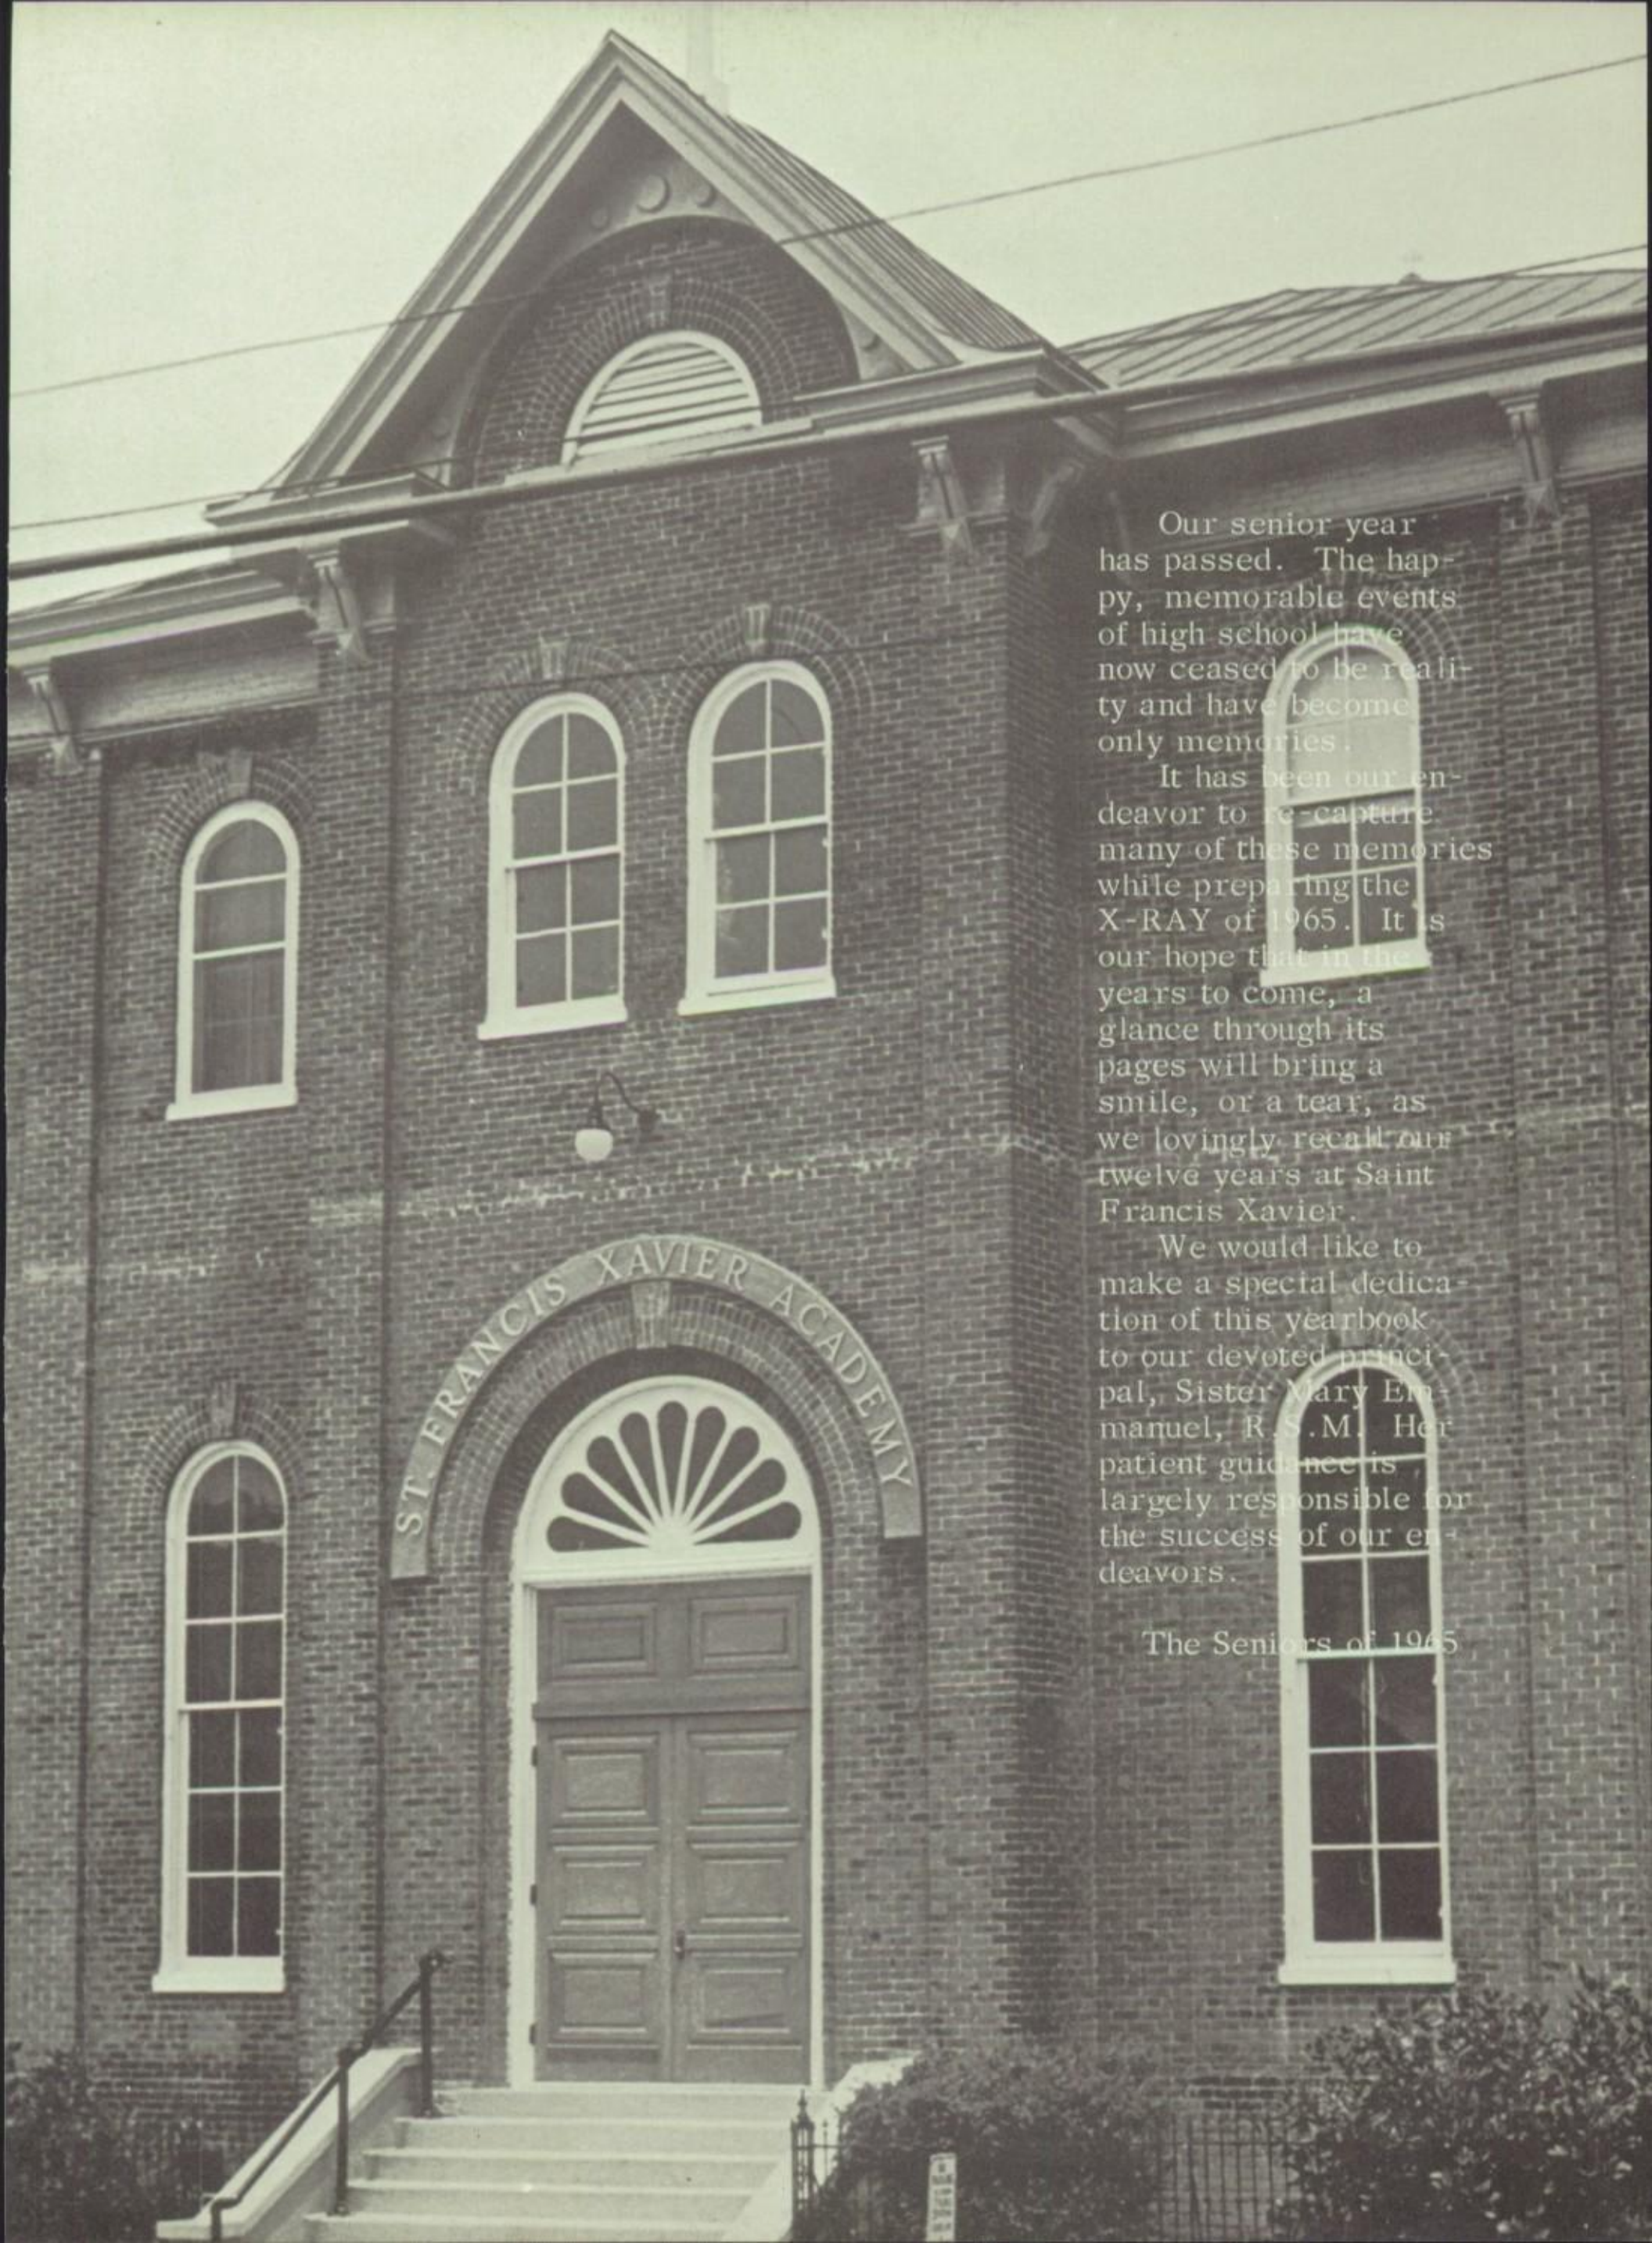
STUDENT LIFE

STUDENTS



Our senior year has passed. The happy, memorable events of high school have now ceased to be reality and have become only memories.

It has been our endeavor to re-capture many of these memories while preparing the X-RAY of 1965. It is our hope that in the years to come, a glance through its pages will bring a smile, or a tear, as we lovingly recall our twelve years at Saint Francis Xavier.

We would like to make a special dedication of this yearbook to our devoted principal, Sister Mary Emmanuel, R.S.M. Her patient guidance is largely responsible for the success of our endeavors.

The Seniors of 1965

DEDICATION TO THE SISTERS OF MERCY

Our Sisters remember us in daily Holy Mass in the Saint Francis Xavier Convent Chapel.

Sister Mary Isabel, RSM, Chapel Organist and Music Instructor.

They are our instructors . . . our counselors . . . our friends. They are our reminders when we forget; they are our inspiration.

With deepest appreciation, we, the students of Saint Francis Xavier Academy, proudly dedicate the 1965 X-RAY to the Faculty who has served us so willingly and capably. May they continue to be a source of wise direction and edifying example for many years to come.
